## About me

- I'm the UK's national bird
- I'm strongly associated with Christmas
- I'm also very territorial – will fight to protect my patch and can be a bit of a bully, despite my cute appearance!
- Nicknames: Cock Robin, Robin Redbreast

## What I eat

- Worms, insects, seeds, fruit
- Partial to a fatty treat, and a bit of a sweet tooth – will eat suet balls, pastry or even cake!

## My feather colours

- Red/orange breast
- White/buff tummy
- Brown back, wings and tail
- Male and females the same

## Where I live

- Woods, hedges, parks, gardens, farmland
- Across the whole country

## My nest

- Made from grass, moss or dead leaves
- Usually in holes in tree stumps/walls
- ...or unusual locations such as plant pots or boots!
